• Fast scanning — up to 90 ppm/180 ipm in color or monochrome, landscape
• Ultrasonic double-feed detection with advanced control
• Loaded with "intelligent" functions for more efficient scanning
• Advanced image processing in hardware with color graphics adapter (CGA)
• Valuable bundled software tools and applications including Kofax® VRS Professional
• Service options to fit specific requirements and budget including Next Business Day, 4-hour or 24/7 contracts available
fi-6670/fi-6770
Color Duplex Document Scanners

Increase efficiency in production environments with advanced scanning intelligence and high reliability.

Designed with outstanding paper handling, fast scan speeds up to 900ppm/180ipm and intelligent productivity enhancement features, the Fujitsu fi-6670 and fi-6770 scanners deliver the automation and dependability needed for mission-critical production scanning applications. In addition, innovative features such as an intelligent multi-feed function drastically improves the pitch scanning process by allowing the ultrasonic double-feed detection sensor to be trained to ignore intentional overlapping documents such as photos in insurance, patient label stickers in healthcare and taped-on receipts for accounting expense reports.

The fi-6x70 Series scanners come bundled with an assortment of valuable software tools and applications such as full versions of Adobe® Acrobat® Standard, ScandAll PRO with Microsoft SharePoint connectivity as well as VRS Professional image and productivity enhancement. In addition, the included TWAIN and ISIS® drivers and flexibility of many interface options (SCSI/USB 2.0 or VRS CGA) contributes to decreased deployment costs and improved interoperability with complimentary hardware and third party software solutions.

As the first scanners in their class to offer hardware-assisted VRS CGA, the fi-6670A and fi-6770A models further improve the speed performance when utilizing certain advanced VRS imaging features. In keeping with the Fujitsu tradition, the fi-6x70 Series is the latest to adhere to the strictest of environmental regulations including Energy Star, Reduction of Hazardous Substances and Volatile Organic Compound to better our environment. Transform your paper documents into useful electronic data in a flash with the intelligent scanning features of the fi-6670 and fi-6770 production scanners.

Service and Support programs to fit your needs and budget.

The fi-6670 and fi-6770 scanners include a 90-day on-site, Limited Warranty. For full details on the Limited Warranty and on all service programs, go to www.ImagingService.com or call (800) 301-9475.

About Fujitsu Computer Products of America, Inc.
Fujitsu Computer Products of America, Inc., a subsidiary of Fujitsu Ltd., is an established leader in the Document Imaging industry, delivering innovative scanning solutions and services that enable our customers to solve critical business productivity issues and streamline operations. We provide cutting-edge document capture and workflow solutions for business and personal environments, backed by a comprehensive portfolio of service and support programs.

</table>

### Scanning Speeds

- **Letter/Landscape Mode**: Simplex: 60 ppm, Duplex: 30 ppm, 120 inches
- **ADF minimum**: 2 in. x 3 in.
- **ADF maximum**: 11 in. x 17 in.
- **Flatbed**: (fi-6770): 12 in. x 18 in.
- **Interface**: Ultra SCSI (50m) / Hi Speed USB 2.0 / Third Party Slot & Ultra SCSI (50m) / Hi Speed USB 2.0 / Ultra Wide SCSI (88m) VRS / Hi Speed USB 2.0 VRS (CGA)

### Physical Specifications

- **Power Requirements (auto-switching)**: AC 100 – 240V, +/- 10%
- **Power consumption**: Operating: 16W, Sleep Mode: Less than 6W, Less than 9.1W (CGA)
- **Operating Environment**: Temperature: 42°F – 95°F (-5°C – 35°C), Relative Humidity: 20% – 80% (non-condensing)

### Power Consumption

- **fi-6670/6770 Dimensions (HxWxD)**: (fi-6670): 11.8” x 25.23” x 17”, (fi-6770): 13.38” x 27.16” x 19.68”
- **fi-6670/6770 Weight**: (fi-6670): 37.5 lbs., (fi-6770): 77.2 lbs.

### Reliability Specifications

- **Daily Duty Cycle**: Up to 15,000 documents per day
- **Limited Warranty**: 3 months on-site
- **On-Site**: Basic (parts, labor and travel only) or ScanCare (Preventative Maintenance, Consumables + Basic)
- **Response Time Options**: Next Business Day, 4-hour or 24/7
- **Unit Replacement**: Advanced Exchange +; Unit Return: Depot Consumables: ScanAll Kits

### Features

- **Automatic color detection**, content-based rotation, intelligent blank page deletion, background saturation, advanced clarity, selectable background, onboard JPEG compression, swivel ADF, dual control panels

### Other

- **Multi-Feed Detection**: Yes, Ultrasonic double feed detection with Intelligent Multi-Feed Function
- **On-Line Scanning**: 120 inches
